First I would like an official shop manual and being the cheap guy I am I'm looking for one I can download. I've downloaded the shop manual for the 77-79 CT90 80-82 CT110. I've never owned a CT and am wondering if this manual will work for my 70 or can someone direct me to the correct manual. Thanks, John

¶ In my surfing over the web I have run across a number of sites which have parts and/or shop manuals. Here is a list. I do not host most of these, they are just links to other web sites. If you find a web site with parts or shop manuals on it let me know so I can list it here for everyone. I usually don't remove any links, once I put them up.
