There is no requirement that the quality manual mirror the conformance standard. If the QM is used to demonstrate conformance to a number of requirements, it is impossible to do in a single QM. The manual should be organized in a way that is suitable for your organization, because your people are the ones using it every day.

ISO 9001 Quality Manual | ASQ

Deleting or archiving a message removes it from your inbox. If you delete a message, it's placed in the Trash and then permanently removed from your G Suite account after 30 days.. If you archive a message, it's moved to All Mail (your archive), where you can easily find it in the future using Google's powerful search feature. Messages remain in your archive forever unless you choose to delete ...

Gmail | Learning Center | G Suite

There are wise people who talk ever so knowingly and complacently about "the working classes," and satisfy themselves that a day's hard intellectual work is very much harder than a day's hard manual toil, and is righteously entitled to much bigger pay.
