The NAVSEA Cost Estimating Handbook has been developed to provide a foundation of current, relevant and quality technical standards. The handbook provides information on cost engineering processes for the NAVSEA cost engineering community, as well as providing a ready reference to support the stewardship of our cost engineering capabilities.

Cost Estimating Handbook - navsea.navy.mil

cost engineering. At Cost Engineering we therefore promote that companies should make a step in bringing the estimating and project controls departments closer together, as opposed to two different departments each with their own different views and tools. We also see that projects are driven by cashflow.
