International Financial Management Cheol Eun; Bruce ...

International Financial Management is written based on two distinct parts: emphasis on the basics and emphasis on a managerial perspective. As capital markets of the world become more integrated, a solid understanding of international finance has become essential for astute corporate decision making.

International Financial Management by Cheol S. Eun

i am a business graduate student so i have read many business college books. this is probably the worst in 'readability'. a book can be both insightful and easy to read. International Financial Management by Eun is only the former. if stephen ross or randolph westerfield wrote a book on international finance, buy it instead.
