Adapter for TDI Engines. We have been building engine adapters for over 25 years with over 500 in use worldwide. Our adapter features alignment pins in the stock locations to ensure a perfectly centred fit. The TDI engine adapters are 2" thick which spaces the engine away from the vehicle fire wall and helps with vacuum pump clearance.

Diesel Ranger. Our first source had some experience working on the Kubota and knew it to be a reliable engine. When Diesel Bombers forum member DetriotDiesel decided to do an engine swap, selecting the engine was an easy choice. Before he started, he read every online forum about swapping these engines that he could find.
