Keep your above ground pool water clean, soft, and refreshing with the Intex Krystal Clear Saltwater System. Its unique 2 stage technology uses an E.C.O. (electrocatalytic oxidation) process in which water molecules are split into highly powerful oxidants to destroy organic contaminants, such as bacteria and algae.

Intex Krystal Clear Saltwater System for Above-Ground ...

Make sure sand filter pump stays on during all saltwater system use. For first time after the pool is filled, you will need to run the saltwater system 12 hours, so set the sand pump to manual. I have the Intex Krystal Clear Sand Filter that came with the pool, 1200 gph, which works well with this saltwater system.
