Kenmore top-load washing machines embody sleek and modern designs with powerful cleaning technology. Smart features help you start a load, schedule maintenance, and even download new wash cycles. Some top-load washers feature a triple action impeller, making work of dirty laundry.

Top-Load Washers | Kenmore

The Kenmore 500 Washer (Model 110) is a good product. My family had this clothes washer for a while now and it still works in an okay condition. It's energy efficiency is satisfactory. It is a little pricey to do laundry all the time. The cleaning time takes a while just like any other clothes washer. The performance is okay now.
