srx210 | eBay

We have a Juniper core network and use the Juniper SRX 210's and 240's at most of our locations. I love the Juniper product line and interface. These devices perform extremely well for what we need them to do. Firewalling with the SRX series is cake. I don't really have any complaints, I just wish all 8 ports were 10/100/1000.
