I am in the market for a side x side & Gator 825i is on my list as well as the Ranger XP and Honda Big Red. Can anyone tell me about the history of the Chery engine used in the 825i? Also is the cab noise loud?

Chery Engine - John Deere Gator Forum

In case anyone wants to know. The Briggs model number for the engine used in the XUV 550 is a model #355447. Mine is running rich and does not like short trips and idling. The carburetor main jet is not adjustable. I have turned in the idle jet about half a turn (so it barely idles without surging) and that helped somewhat and there was no noticeable difference when running but it does help ...
