AbeBooks.com: Probability (Springer Texts in Statistics) (9780387979748) by Jim Pitman and a great selection of similar New, Used and Collectible Books available now at great prices.

9780387979748: Probability (Springer Texts in Statistics ...

This is a passable book on probability. It is a halfway house between undergraduate probability and measure theoretic probability. Generally speaking, it lacks rigour; statements like "the proof is surprisingly difficult so we only give a heuristic justification" are not good enough, especially when the author does not then bother to refer the reader to a source where the proof can be found.
