### **John Deere / Yanmar - DK Engine Parts**

I understand many John Deere engines are made by Yanmar, so why would a JD tractor be better than a Yanmar if they were the same price? I have an opportunity to buy a 1 1/2 year old John Deere 31hp 3032E with a Yanmar engine with 12,000 hours on it for 10k or a totally refurbished (new tires, new hoses, engine redone and hours turned back to zero, etc.) Yanmar F24D 30 hp for a little less than ...

Soon after introduction, Yanmar began manufacturing the compact tractors for John Deere. By 1986 Yanmar had shipped over 100,000 tractors to John Deere alone. By 1989, It is believed that Yanmar's partnership with John Deere, combined with Yanmar's distaste for America's litigious society, prompted the company to stop selling tractors in the US.

### **Yanmar History - Who Is? - YM Owners**

You may be right. I have been told that several years ago Yanmar used to make the entire tractor for John Deere but now make only engines. It is the older Tractors that may have Yanmar counterparts. Maybe others can add to this info for us. It would make buying certain models advantageous if you could use John Deere parts. JM: Bob
