M2 Antenna Systems, Inc. is a blend of technical expertise and common sense approach to accommodating your needs. We have over 32 years of experience designing and building antennas and systems to satisfy the ever expanding communications needs.

M2 Antenna Systems, Inc.

An excellent antenna very sturdily built Time owned: more than 12 months Back in 1990 I had collected a lot of info on the KLM antenna. The comments were excellent on the performance of the antenna and poor on the weather resistance of it. Almost four years ago I decided to buy it.
