Klipsch Image S4i Specs - CNET

the old image S4i's were my all time favorite in earphones. I bought numerous pairs off ebay but the left or right earphone would eventually go out after a year or so. I purchased the original R6i but could not stand the cable noise from the flat tangle resistant cord. The R6i II's have fixed the cable noise problem with the thinner round cord.

Klipsch Image S4i review - Engadget

Klipsch is one of the few manufacturers to offer earphones with a three-button remote system for the iPhone 3GS. One button acts like the one-button controls of other headphones, buttons above and below control volume, but only when connected to a 3GS. Sound quality is exciting, with lots of detail ...
