To locate your Scag walk behind mower model and serial number look for a tag on the frame of your Scag mower. It is usually just to the side of the engine. Now, with your model number handy, you can use our Scag Parts Lookup and pinpoint the exact part for your specific model.

Find Your Scag Mower Model Number | ScagParts.com

Have your lawn mower serviced before the start of the season to ensure it's working properly. Do not remove any safety devices on the machine! Be sure to add fuel before starting the engine, not when it's running or hot. The liquid could overflow and flame up. Keep hands and feet away from the lawn mower blade even if the machine is turned off.
