**Kia Rio Manual Transmission Fluid**

I have a 2006 Kia Rio with the 1.6 engine (Canadian specs). I have a 5 speed manual transmission and I want to change the tranny fluid with 75W90 synthetic oil. I hope it improves the shifting, as I find it a little bit rough. Also, it gets pretty cold here during winter (-25 degrees C) so it may help with smoother shifting there too.

**Rio manual transmission fluid change - Kia Forum**

Kia has been developed sophisticated transmissions through years and it is critical that you add the exact type of transmission fluid stipulated by your owner's manual (typically in the back of the manual in a section titled Fluid Capacities.) When adding transmission fluid to your Rio, be sure to add it slowly as the transmission fluid ...
