Student progress will transfer seamlessly back and forth between tablets and the web-based software. As always, make sure students log out all the way before exiting. *ST Math is available for purchase by schools, school districts and homeschoolers.* For more information, visit www.mindresearch.org.

ST (Jiji) Math: School Version - Apps on Google Play

ST Math starts by teaching the foundational concepts visually, then connects the ideas to the symbols and language. With visual learning, students are better equipped to tackle unfamiliar math problems, recognize patterns, and build conceptual understanding.

Visual Math Program | Math Learning Games | ST Math

"Teachers have been able to see how math concepts can be modeled conceptually through ST Math games. There have been many occasions when I am collaborating with teachers about a math concept and we bring up specific ST Math games that show the math conceptually.
