Troubleshooting - John Deere

I have a problem with my John Deere la115. It has been running great, but recently I've had some starting issues. At first the tractor would start up fine cold, but after running for a while if I had to kill it to close a gate or take a break or leave it unattended for a minute, it wouldn't start when I got back on it.

How to Troubleshoot a John Deere 100 Series | Home Guides ...

Hi all, new to the forum, first post. I've been browsing various places on help getting my John Deere LA115 mower to run. Let me preface this by saying I am not very mechanically inclined, and I might not get a lot of technical jargon right, and might appear to be an idiot in this area. Please forgive me. Anyway, the thing is at least at year old, not sure (it's not really mine but my father ...
