Not since Dwight Eisenhower in World War II had a military man won the affection of the American public to the degree that General H. Norman Schwarzkopf did. As commander of Operation Desert Storm, he gave the American people the satisfaction of seeing their armed forces triumph in a decisive confrontation with a hated enemy. After the frustration and heartbreak of the Vietnam war, this ...

I can't imagine a more well-structured 3-month program to prepare students for the current Data Scientist job market. The type of work covered in independent projects, the statistical inference/ML curriculum, and daily programming challenges are exactly what companies (in SF at least) are testing for in Data Science positions today. While the post-graduation interview process is difficult, I ...
