Hello, while using my B20 yesterday the power steering and loader suddenly stopped working. The 3pt works fine, as does the transmission. The only warning sign I had was for about 2 minutes before it all stopped the steering didn't feel as strong and the loader was a little slower, not much though.

Yazoo Mowers are becoming increasingly rare, but they have an almost cult following of fans and owners. They are very unique in their design, allowing them to have a zero-degree turning radius way before the modern hydraulic zero-turn mower was invented, and they have a gear shift lever that allows quick transitions from forward to reverse.
