This can be due to factors, such as the distance from the radio station, closeness of other strong radio stations or the presence of buildings, bridges or other large obstructions in the area. AM broadcasts can be received at greater distances than FM broadcasts. This is because AM radio waves are transmitted at low frequencies.

**How to enter radio hidden menu in Kia Cee'd (service mode, diagnostic)**

I have bought my Ceed SW 2.0l in the Czech Republic and since my language skills here only amount to a couple of insults and ordering beer the manual would be too much of a challenge. The dealer can't get his hands on an English manual for me, but that is the least of my worries since I don't have the car yet (probably a month from now).
