kawasaki bayou 220 engine | eBay

Bayou 220 engine noise Got a noise. Starting with the light clicking a loose rocker can make on up to the dull thunk a rod bearing can make, this is a 'clack' that is roughly every other rotation, maybe even less.

Bayou 220 engine noise - Kawasaki ATV Forum

i do not know the year of it but i have had it for a couple years. it ran fine last summer but when i tried to fire it up it would not budge. its a pull star and the pull start will not pull at all. i was told by my step dad that the engine was locked up so i guess that's the problem. but the big problem is i have never worked on a motor before so i have no clue what to do.
