john deere f935 engine | eBay

Original Model: Yanmar (John Deere) 3TNE72 This engine was made to John Deere specs, not all Yanmar engines will match up to this one. I believe our Yanmar that we have listed here will fit this machine as long as you change the flywheel, bell housing, and starter from your original engine I have looked at two different machines, one was an early model and one was a later model and the frames ...

JOHN DEERE F935 For Sale - tractorhouse.com

I have a John Deere F935 72" front mower with a Yanmar 3 cylinder diesel engine. There are three wires that go to the fuel shut-off solenoid (1 white, 1 black, and a smaller pink wire). When I turn

the key ON the white and pink wire get 12-volts. After a few seconds a relay in the control module "clicks" and the white wire loses 12-volts.

John Deere Model F935 Zero Turn Mower Parts

Any one have any good info on the F935 front mowers that Deere made back in the 90's. Looks like my church might have one of these donated to them, with the idea that I maintain and operate it. I do know it has a 60 inch deck, 3 cylinder Yanmar diesel, and was purchased new around the 1990-91 for \$13,500.
