Nice all around dozer, small enough to tote behind a tractor on a trailer from farm to farm, big enough to move some dirt, the power shift is nice, some call them a shuttle shift or power reverser, depending on who it is, the only downside is to work on them, the components are set in the frame and to get at the transmission or rearend you need to totally dismantle the machine.

X2--The very best small dozer out there, my 450 D I purchased almost new back in '85, you couldn't

ask for a better,more reliable dozer.Still has the original tracks,only had to turn pins and bushings once.Whatever it's worth,I can change my oil filter in app.5 minutes or less.It's right there on the side of the block-simple,nothing in the way.
