Craftsman Carburetor Rebuild Kit - sears.com

I have a craftsman LT1000 mower. The carburetor flooded the crankcase with gasoline. I took the carb off and inspected the float needle and the float itself. The carb appeared to be clean, I blew out the float jet seat and the main jet and whatever tubing I could get air to go to. Now I'm not sure what cables go where on the carb when I remount it.

I have a craftsman LT1000 mower. The carburetor ... - ASAP

I have a Craftsman LT1000 lawnmower. Recently it has become hard to keep it running. I start it up let it run, engage the blades it will cut for awhile then it will start chugging and eventually stall. It will restart with a light backfire, chug, then possibly level enough to engage the blades again, run for a little then stall again.

I have a Craftsman LT1000 lawnmower. Recently it has ...

A new carburetor can do wonders for your tractor, especially in this case, where the tractor sat outside for two years without running. I picked up this new (after market) carb for less than \$30.00.

How to Replace the Carburetor on a Briggs & Stratton Intek Engine Craftsman LT1000

How to Clean the Carburetor on a Craftsman Mower. After storing your lawn mower for a season, it is very likely that the leftover gas in the carburetor is gummed up and will need to be cleaned out before the engine will run properly. Cleaning the carburetor on your Craftsman lawn mower is easier than you think. A carburetor only has several...
