My John Deere won't climb hills after it's been running for about 15 minutes. It happens slowly and eventually, it just stops climbing; a few years back, the hill wasn't a big problem but now I have to let it rest for 30 minutes and then finish mowing.

John Deere Hydrostatic Transmission Fix - James Maurer

John Deere mowers have different spec's from the big retailers than from John Deere stores, read more about why to buy John Deere mowers from a John Deere dealer...

John Deere Mowers | Should You Buy From Big Box Stores?

My association with John Deere lawn and garden tractors began on December 29, 2007 with an ad in the local Craigslist for a 130 lawn tractor that had starting issues.

Benchtest.Com - Garage - John Deere 317

I love my 62D for its ease of install and removal. The toughest part is the PTO shaft, as its tucked back pretty far and a bit off center. being able to drive over the deck, attach the pins and front support, raise the lever and drive off is a snap.

How do you like your 62D drive over mower deck?

We carry a large selection of new and used parts and have a reliable service department. We keep a good supply of John Deere parts and Briggs and Stratton parts. Sundstrand hydro transmission rebuilding is available. We have a good belt inventory and just added a larger selection.
