Name is *****. I have a 2004 International 4200 with a VT365 engine. After driving at highway speeds for around 30 minutes, check trans light comes on and trans goes into limp mode, stays in second gear. Engine seems to have normal power other than being sluggish from a stop due to

staring out in 2nd gear and staying in that gear.

I have a 2004 International 4200 with a... - JustAnswer
