### **How do I reset my Kenmore dishwasher that has a green ...**

There is no reset button but there is a thermal fuse that is most likely the problem. If the dishwasher is dead with no lights or display then the most likely cause is an open thermal fuse. The thermal fuse is located in the console and can be checked for continuity with a meter or it can be bypassed if no meter is available.

### **my Kenmore dishwasher has no power is there a reset button ...**

Hi everyone, I've done quite a bit of research on how to reset a Kenmore dishwasher. The Heated Dry/Normal Wash combination doesn't work on my model. I've tried it multiple times, with the door open and closed and nothing happens. There is no specific button for Normal Wash, only a select cycle button (see pictures). Anyone know how to reset this model?
