### **Iveco Daily 2008 Engine Codes**

Enter the car make and car model for which you want to see an overview of engine codes. In the overview, you will then get a list of the engine codes with the years of construction and engine capacity. If there is a match with other car makes and car models, these will also be shown in the overview.

Info. For many car parts, such as engines and cylinder heads, it is important that you specify the correct motor code on your request. The engine code is usually stamped somewhere into the engine block. The first 4 or 5 letters / numbers usually provide enough technical information for a car parts supplier to find the right engine related car part for you.

The Iveco Daily is a large light commercial van produced by the Italian automaker Iveco since 1978; it was also sold as the Fiat Daily by Fiat until 1983. Unlike the more car-like unibody Fiat Ducato, the Daily uses a separate ladder frame typical of heavier commercial vehicles. The Iveco Daily is produced at the Iveco Suzzara plant, near Mantova in Italy, where Iveco has recently made ...
