If you decide to repair this problem, you can order parts from this page: Kenmore Elite Calypso Washer 110.22084100 Parts . My personal recommendation is that you examine the washer and determine the parts that you will need before you decide to repair this washer. The U-joint kit alone is close to \$200. You may need other parts as well.

The obvious things to check per the owner's manual (the non-repair manual), I have already done (make sure no kinks exist in the external pump tube, etc.). I have already taken apart the back panel and bottom panel of the washer, disconnected the external cooregated drain tube (and checked for clogs).
