Unfortunately the Invicta manuals do not show instructions by model numbers, only by diagrams. Their instruction manual is a generic type which covers all their watches and you need to scroll through a list of instructions to find the one that is suitable for your watch.

Need manual for Invicta watch Model #15332. - Fixya

A watch is only useful if it displays the correct time. Over time, your watch may display the incorrect time as the battery wears down. After installing a new battery, you will also need to reset the time. All Invicta watches have similar instructions for setting the time. Setting the time does not require any tools or equipment.
