Hey guys , has anyone ever tried an engine swap on the klx 250 s ? I was thinking of trying to shoe horn a kfx 450 r 4wheeler engine with @ 60 hp into my klx 250 s frame. Ya I know that the stock engine can be improved but i already have a 300 top end and a jet kit and the engine is still a turd....

Ninja 250 Engine swap? submitted 5 years ago by CharlieChapln. I have a 2006 Kawasaki Ninja 250r and the motor is completely junk. it would be too expensive to rebuild so I picked up an 89 Ninja 250 engine that runs. Does anyone know if my carburetors and wiring will match up? Any help would be greatly appreciated.

1. I'm going to put a bigger engine in my 250 frame. 2. I'm going to mod the hell out of my engine. To which the replies are: 1. Look at the frames of the bikes that the donor engine would come from. Notice that they have a twin spar frame? Now glance at the frame of the 250... See that it's different? A swap isn't going to happen.

So got to love craigs list, I was browsing 2 days ago and came across a 06 250R Ninja swapped go kart for \$1200 or barter. So I called and we settled on \$250 cash and go kart for my XL500R so basically I got the kart for \$30. The thing is the kart is a mess and worst franken-kart I have ever seen but motor runs good granted leaks oil.

Im lookin for a KLR 650, and Im just wondering if theres any swap possible in a KLR 250. I dont think the 650 would fit, but is there any way to fit a 450 or any other engine that would make a nice improvement over a 250? Would not go 2 stroke thought. Would be nice to have the power of a 500 or ...
