Hi, I have what I beleive is a 1926 Model A Kodascope Series K projector. It is in nearly mint condition and is packed in a beautiful Loops leather trunk. The motor and lamp work and it runs movies. There are about twenty films included with it. About half the films are commercially produced and half are home movies.

KODAK KODASCOPE Model B 1926, 16-mm, silent projector. Yes, I said this motion picture projector was made in 1926. I refinished this cabinet with 6 coats of finger-tip rubbed varnish, with application of "0000" steel wool between coats. The top, not well shown here, has four pieces of matched veneer and a Japan black dart located at the top ...
