The Jump Manual — LotsOfeBook.com

In track and field events such as high jump, long jump and triple jump, the sequence of steps is precisely calculated. Part of this sequence includes lengthening the stride of the second to last step AND shortening the stride of the very last step. The long stride lowers the center of gravity and "loads" the body to jump while

How - Jump Manual

The Jump Manual is the culmination of 15+ years of scientific research into the most effective exercises, training sequences and techniques. Thousands of average athletes have used it to

consistently increase their vertical leap.

The Jump Manual. Proven Vertical Jump Training.

The Jump Manual free workbook offered a peek into the Jump Manual including some tips, free mini-workout and things that I could try out. This helped me figure out if the type of training included was a fit for me and also if what the author was saying actually worked or was it just another scam.
