Modifications: Originally the Korg manuals were not 8 1/2 x 11 in size so they have been resized to standard 8 1/2 x 11 so the average user can print them on a home printer. Also, the pages are not just a bunch of scans dumped in a pdf. They have been cleaned up, indexed, bookmarked, and thumbnailed for easy navigation.

The Korg M1 is a digital synth that has been around for a long time. It has very good on board sounds and some of them I still use to this day. I really don't pull it out much but when I do get this board out and plug it up and get right to work with these old school type of sounds. Most of them ...
