I am having trouble mounting Quintet II satellite speakers onto my walls. After I hang them, they slowly fall down and point at the ground. I looked through the instruction manual, and there is an allen wrench that can be used to tighten the stands tension. I have used it, though, and all three b...

The Quintet held them both, as it were, in the palm of its stony hand. In The Great Raid (DVD, Dolby Digital), the true story of a World War II POW camp rescue in the Philippines, both the voiceover and the execution chorus lifted clear of the speakers. A signal yearns to be free—of cabinet resonance—and the reinforced-polymer enclosures ...
