Wooldridge data sets Each of these data sets is readable by Stata--running on the desktop, apps.bc.edu or on a Unix server--over the Web. You need only copy the line given below each dataset into your Stata command window or Stata do-file.

Wooldridge datasets - fmwww.bc.edu

students see, at the outset, that econometrics is linked to economic reasoning, if not economic theory. I like to familiarize students with the important data structures that empirical economists use, focusing primarily on cross-sectional and time series data sets, as these are what I cover in a first-semester course.

CHAPTER 1

I used this text for a graduate level introductory econometrics course and was for the most part very pleased with it. It's full of practical and interesting examples and problems, and is written at a level that's neither patronizing, nor overly complex.
